

# Session 5

## Diving Deeper

In this session we've focused on giving the world a fresh start. One small way that we can do this is to become aware of our global water crisis.

Watch one or both of these documentaries:

- Billions In Change
- The Story of Bottled Water

What small steps can you take to help solve this problem? Go to [www.worldwaterday.org](http://www.worldwaterday.org) to find out about World Water Day 2021
